### Grand Cayman, Cayman Islands

365 days of crystal-clear warm water and almost no current give Grand Cayman the ideal conditions for enjoying the beach, diving and snorkeling. You'll see breathtaking marine life and seascapes.

### Roatan, Honduras

Located in the Bay of Islands of Honduras, Roatan offers a unique and distinctly Caribbean experience. This island paradise is surrounded by over 60 miles of protected, living reef that provides shelter to thousands of species of fish and marine life. The interior offers ancient ruins, tropical jungles and curious upright moving lizards, as well as brilliantly colored macaws and parrots.

### Cozumel, Mexico

Located 12 miles off the southern coast of the Yucatan Peninsula, Cozumel is known as the gem of the Mexican Caribbean. Perhaps its name reflects the fact that its temperate, crystal clear waters range in jewel tones from stunning turquoise to deep indigo. For history buffs a visit to the Tulum Ruins presents the only Mayan city built overlooking the sea.

### Princess Cays, Bahamas

The tiny island of Eleuthera in the Bahamas is home to the private beach party hosted exclusively for Princess guests. A full day of fun in the sun offers something for everyone from snorkeling, kayaking, sailing and floating to lingering over drinks and a delicious barbecue. Princess Cruises' private beach serves up a good time, including a coral reef with schools of tropical fish, relaxing music, bar facilities, and lunch!

### Crown Princess

Crown Princess is the crown jewel of the Princess fleet. Its unique Crown Plaza is an atrium designed in the spirit of an Italian piazza where you can get a bite to eat or just relax and people-watch. Other highlights of this brand new ship include the Crown Grill, modeled after a classic steakhouse, the Sanctuary deck area, reserved just for adults, and Movies Under the Stars®, our poolside movie theater.

### Crown Princess Entertainment

To say the nightlife onboard is spectacular is an understatement. The performers are seasoned professionals and their performances are of the same caliber as what you'd see on a Broadway stage. Our theater productions, lounge acts, movies, night clubs, dance floor and casino venues are just some of the fun onboard. This ship's theater venues are designed with great acoustics, the best seats in the house, and stellar acts.
